## CHURCHES FILLED ON FIRST "GO-TO-CHURCH" OBSERVANCE

Appropriate Sermons And Special Music Are Features on Sunday

### ATTENDANCE FIGURES HIGH

Approximately 7,000 in Pews at Morning and Evening Services—English Speaking Denominations Have 5,000 by Actual Count.

The first "Go-to-Church" Sunday ever observed in Charleroi was celebrated Sunday with the result that at the various services of the day exclusive of the Sunday school and the young people's societies in all the churches attendance was approximately 7,000. In the English speaking churches the attendance by actual count was within 11 of 5,000. The morning attendance was better than the evening.

Sermons appropriate to the occasion and special music was provided in practically all the churches.

At St. Jerome's Catholic church the attendance was large, totaling for all masses 2,236. There were three masses in the morning and an evening service. The 9 o'clock mass there was a memorial mass for the Knights of Columbus. Rev. W. D. Fries, the pastor, and Rev. B. N. Axmacher, assistant pastor, preached at the masses. Rev. P. E. Maher of Roscoe preached at the evening service. Music was featured.

At the First Christian church Rev. E. N. Duty delivered two special sermons. Appropriate music was rendered under direction of C. C. Humphries, including a solo in the morning by Ernest Dorbritz, a solo in the evening by Miss Isabella Dorbritz and a duet by Miss Georgene Parsons and C. C. Humphries.

Rev. C. P. Bastian conducted his regular services at Christ Lutheran church, preaching two sermons appropriate to the occasion. The services were beautiful and much enjoyed by the many present. Good music was rendered.

At the Methodist Episcopal church Rev. W. G. Mead's morning sermon theme was "Go To Church," and another appropriate sermon to the day was preached in the evening. August H. Bosson directed the choir in the rendition of special music.

A comparison of two extremes was furnished in St. Mary's Episcopal church. "The 21st" said Rev. John Lyon, pastor, was a day of poor attendance, while Advent Sunday, the 28th, was a Sunday characterized by a large attendance. Our increase was due somewhat to the attendance of the people from Ellsworth and children out of our school. The usual morning and evening services were held. In the morning Mrs. Herman Tweed sang beautifully. "Turn Thee Unto Me" from an oratorio. The choir began some new work which will enrich the service.

Rev. W. G. Carl at the First Baptist church spoke on "The Church and Her Work" morning and "What Makes Life Worth Living" evening. Special music was rendered by the choir. The soloist for the evening service was Miss Bertha Haines.

Rev. A. J. Whipkey had two special sermons.

## FRATRICIDE OCCURS AT FREDERICKTOWN

Brother Kills Brother After Quarrel Near Boiler House of Mine—Officers Unable to Find Any Trace of Fleeing Man

Dan Franzetta, Italian, aged 33 years, employed by the Vesta Coal company in the boiler house of the Vesta No. 5 mine near Fredericktown was shot and almost instantly killed by his older brother, Nick, also employed in the boiler house about midnight Saturday night. Dan lived about five minutes and then succumbed to the 38-caliber bullet wound in his neck. His murderer brother left the boiler house and disappeared in the fog. All efforts to apprehend him have been in vain so far.

The killing of Franzetta by his brother is believed to have been the climax of a quarrel of long standing between the two. Nick, the murderer, finished his carnal about midnight Saturday night and started to leave the boiler house of Vesta No. 5 on his way out, he called his brother to one side and for some minutes the two held a whispered conversation in the corner of the boiler room. Suddenly the five other boiler persons in the room at the time saw Nick draw a revolver and a moment later the shot rang out. Dan fell to the floor in a pool of blood. Nick vanished through the doorway.

J. W. Channing and A. J. Hgatt, coal and iron police, were notified and immediately began a search of the foreign boarding houses in the town. No trace of him was found. When Officers Channing and Hgatt arrived at the home of Ignatz Silusky, Silusky told them that he would give them the benefit of the poker if they made an attempt to go through his house. The officers started up the steps, Silusky swung the poker and the next moment one of the officers fired, the ball of the revolver lodging in Silusky's left shoulder. He was not badly hurt and was taken to the office of a physician. The officers went through the house believing that they would find the murderer there but were unsuccessful. Why Silusky did not want the officers to go through his house is not known.

It was learned afterward that Nick went to Point View following the murder and there changed clothes. It is believed that he wore a light checked coat, blue serge trousers and a light cap. He has a fair complexion and light hair. He is about five feet eight inches in height and walks with a slight stoop.

The Franzetta brothers were recent arrivals in Fredericktown and were not very well known.

## MEMORIAL EXERCISES ARE HELD BY K. OF C.

Memorial Mass Celebrated at St. Jerome's Church—Eulogy Pronounced by C. P. Byrne and Memorial Address Made by Rev. W. D. Fries

Memorial services were held by their hall where breakfast was served by Caterer Parks. This was followed by the ritualistic services of the council, the eulogy and the memorial address.

C. P. Byrne pronounced the eulogy on the deceased members, and the memorial address was made by Rev. W. D. Fries, chaplain.

Those for whom the exercises were held were: Thomas Francis Kelly; J. J. Byrne, Thomas Joyce, John Kuth, Sylvester Kane, Charles Planincheck and August Smith.

## MRS. GEO. M. WILSON DIES THIS MORNING

Mrs. Lida Wilson, aged 52 years, the wife of George M. Wilson a well known local contractor, died at her home at 219 McKean avenue this morning at 11 o'clock, following an extended illness. She had been in failing health for about two years, and since July has been bedfast.

Married in Ohio 23 years ago, Mr. and Mrs. Wilson lived there for a time, and then 16 years ago came to Charleroi where they have since lived.

Those who survive besides the husband are two sons, Edwin Campbell of Barnesville, Ohio, and Fred Campbell of Cleveland, Ohio, together with one daughter, Mrs. Roland Todd of North Charleroi.

Funeral arrangements will be made later.

## HAS EAR CHEWED OFF IN CARD GAME FIGHT

Sam Stark, of Hazelkirk, is minus a large portion of his left ear which was chewed off by Clyde Zengnoli, a foreigner, during a row that occurred Sunday morning at house No. 25 Hazelkirk. Stark will be disfigured for life as Zengnoli carried the piece of flesh away in his mouth.

Refusal on the part of Zengnoli to buy beer for the crowd, when he lost, precipitated the trouble. They played cards and the loser was to treat. Zengnoli hedged when beaten and Stark, acting as a spokesman for the others, demanded that Zengnoli "set 'em up" the latter refused.

Angered, Zengnoli suddenly attacked Stark. They clinched and fell. Zengnoli then caught Stark's ear between his teeth and practically chewed off the entire outer part of it. Stark

## SECRETARY KETCHUM TO SPEAK TO CHARLEROI BUSINESS MEN

LOCAL BOYS INITIATED INTO FRATERNITIES AT ALLEGHENY

At the Allegheny college when "Bidding Day" was celebrated Saturday 42 freshmen were initiated into the six fraternities there. Included in the number were two Charleroi youths, C. A. Mead, son of Rev. and Mrs. W. G. Mead and John O. Martin, son of Mr. and Mrs. Samuel Martin. The former became a Phi Gamma Delta and Martin was initiated into the Alpha Chi Rho. Both are popular fraternities at Allegheny.

## DIRECTS APPEAL TO ALL SHOPPERS

"Do your Christmas selling early," is the appeal of Commissioner John Price Jackson, of the Department of Labor and Industry, to merchants throughout Pennsylvania in an effort to effect reasonably early daily closing of all mercantile establishments during the holidays and thus prevent prosecutions for violations of the labor laws.

The familiar, "Do your Christmas shopping early," is also directed by the commissioner, at the army of Christmas buyers in the hope of obtaining the cooperation that will make the appeal to the merchants effective.

"Christmas shopping should be done as early as is possible, early in the day as well as early in the season," said Commissioner Jackson. "If all merchants in every community combine unitedly for a definite closing hour each night during the holiday season, more will lose trade, the law will be observed and every establishment will have fresher and more efficient clerks to meet the grueling demand of the holiday rush.

"Girls under 21 years of age may not be employed in stores or factories after 9 o'clock at night or before 6 o'clock in the morning. No female may be employed more than six days a week, more than 54 hours a week, or more than 10 hours a day. When an establishment is closed for a legal holiday, females may be employed, during such week, two hours a day overtime for three days but the working hours for the week must not exceed 54.

"Inspectors of the department of Labor and Industry in all sections of the state are instructed to pay special attention to the working hours of employees during the holiday season, not for the purpose of instituting many prosecutions but to see that the laws are obeyed and to relieve the often needlessly long hours of employees."

See Porter's ad on Second page. 14111—

loosened his hold and Zengnoli then made his escape, with the ear still in his mouth.

Officers were summoned but failed to find any trace of Zengnoli. Stark was attended by Dr. R. B. Stewart.

Board of Trade Expert of Washington Coming Here For Meeting Thursday

### MAY EXPLAIN CREDIT SYSTEM

Will Talk Generally on Matters of Interest to Business Men and Merchants—Business Meeting and Address to Follow Supper.

Arrangements are being completed for an especially important meeting of the Charleroi Business Men's Association the coming Thursday in the free library rooms on Fifth street. The predominant feature of the meeting will be an address delivered by Carlton M. Ketchum, secretary of the Washington Board of Trade.

The meeting will be around the supper table at about 6 o'clock, and the speaking and business session will follow the supper. The supper feature is an innovation adopted at the last meeting of the association, and proved particularly successful.

Secretary Ketchum's address will be on matters of interest to business men and merchants. He is a five-time secretary and one of the best known Board of Trade men in Pennsylvania.

At the present time a credit system is being talked of for business men to be carried out in the county. Other movements for a more systematic conduct of affairs by merchants in the county are under way and Mr. Ketchum will generally describe them.

'TIS AN ILL WIND.  
Just now many advocates of a policy  
of unpreparedness are saying that the  
entire agitation of a greater navy  
and a larger army is artificial, created  
by the moneyed interests who will  
profit largely by the manufacture of  
arms and of naval equipment says the  
Washington Observer. Of course  
these people do not really understand  
the temper of the American people.  
Well might the advocates of "rea-  
sonable preparedness" accuse those  
who are opposed to this program as  
being in league with the enemies of  
this country.

No great public improvement of any  
kind was ever made that the advoca-  
tes of the improvement were not  
accused of taking their stand for self-  
ish purposes. Because someone will  
profit by such a policy, then these ad-  
vocating it must of necessity be sub-  
sidized by those who would perform  
the work at a reasonable profit.

Both in this country and in this  
state those who were the pioneers in  
the building of roads were accused of  
being on this side because such a po-  
licy on internal improvement would  
bring money to some large contractors.  
And these contractors were given  
the credit for being the instigators  
of the movement and of using every  
man who was for good roads as a  
tool.

We saw the same element in our  
citizenship at work in the early days  
when the railroads were being built.  
The advocates of railroads were ac-  
cused of being grafters and of favor-  
ing the enterprises because it would  
open up territory and lands in which  
they were interested.

Undoubtedly a program of reason-  
able preparedness in this country will  
result in helping manufacturers, but  
this is an effect, not the cause for this  
program of preparedness. A citizen  
who is continually seeking for the ul-  
terior motives which lie back of the  
advocacy of any cause, however meli-  
torious and worthy it may be, usually  
has a reason for his own position  
which is not actuated by patriotic mo-  
tives.

Arrangements are being made for a  
three-day agricultural show at the  
county seat, at which time farm and  
garden truck, dairy produce, poultry  
and in fact practically everything  
raised on a farm or in a garden or  
orchard will be exhibited, with fitting  
recognition being given to those who  
have produced the best in the differ-  
ent departments. This is a move-  
ment adapted from the old-fashioned  
county fair, where farmers took  
their produce, and contested for prizes.  
It is a splendid idea of the agri-  
culturalists, dairymen, poultry rais-  
ers and others to produce both in  
quantity and quality the best possi-  
ble. Agricultural colleges foster such  
ideas, and the scientific methods they  
teach help growers win prizes. There  
is nothing to make the farm produce  
like intensive farming, and there is  
nothing that will create an interest  
in intensive farming quicker than  
these exhibits.

Establishment by the state of the  
State Employment Bureau is one of  
the features of recent months that is  
deserving of special mention. This  
is a bureau which will undoubtedly  
have a wide field of usefulness, and  
fortunately it will supercede some of  
those privately conducted bureaus in  
certain cities which make it a business  
to prey upon the ignorant class in-  
stead of helping them to paying jobs.  
It is a wonder the need of this State  
Bureau wasn't realized long ago.  
Though entirely new, it has already

### PICKED UP IN PASSING

A youth in the country who was  
new to the delights of town lodgings,  
recently entered an oil shop and pro-  
ducing a bottle labeled "Best unsweet-  
ened G.M." asked for a pint of par-  
affin.

"Better take the label off in case  
of accident, hadn't I?" asked the oil  
man.

"Don't matter a bit," was the reply:  
"there's only me and the cat that ever  
go to the cupboard, and I don't mind  
if I do kill the cat."

"Killed the cat yet?" asked the oil-  
man, as the youth was passing his  
shop next day.

"No, I ain't," said the youth, with a  
puzzled look, "but there's a bit of a  
mystery somewhere. My landlady  
has been quite queer since last night;  
she won't open her mouth within  
yards of a box of matches, and she  
smells something awful of paraffin."

John Wetmore Hinsdale, ex-presi-  
dent of the North Carolina Bar asso-  
ciation, tells this incident:

"An Italian applied for naturaliza-  
tion papers. He swore allegiance to  
the United States government, and  
answered several questions quite sat-  
isfactorily.

"At last the judge asked:  
"Do you belong to any society or  
organization inimical to the govern-  
ment of the United States?"

"This was too much for the Ital-  
ian to understand and he was silent.  
The judge explained the meaning and  
again asked the question. A gleam  
of understanding overspread the face  
of the Italian, and he replied:  
"Yes, judge, I'm a Democrat."

With Best Home-Made Remedy—128 Teaspoonful for 25 Cents

If everything was sold in as liberal and fair manner as Piper Brothers is selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say "Buy a bottle of this new remedy and try it for Bronchitis, Bronchial Asthma, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Dr. Schiffmann's famous Asthmador, if it does not give perfect satisfaction, or if it is not found the best remedy ever used for any of these complaints." In addition to this guarantee, in order that the public might try this remedy without further delay, these druggists announce that they have decided to make an extra inducement and will sell 200 regular 50c size bottles for half price, 25c to the first 200 persons who sign and present the coupon below at their store. Although they and the proprietor are losing money on every bottle sold at this price, they both have decided to stand this loss, so as to give those who have not yet used this excellent remedy, an opportunity of trying it, at their loss, knowing it will be found the best medicine ever used by anyone.

Even though not in need of such a medicine at present, it will pay to obtain a bottle now at half price, as no doubt someone in the family will require it before the winter is over, but you will not have another chance of buying for less than full price.

One bottle makes a full pint (128 teaspoonful) by simply mixing it at home with one pint of granulated sugar and one-half pint of water, and makes a whole family supply, and as much as would ordinarily cost from \$2 to \$3 for the same quantity of the ordinary, old-fashioned, ready-made kinds of doubtful merit and also without a guarantee, like this remedy. It is prepared from strictly harmless plants and is so pleasant that children like to take it and it can be given them with perfect safety, as it positively contains no chloroform, opium, morphine or any other narcotic, as do most cough mixtures. Absolutely no risk whatever is run in buying this remedy on the guarantee of the above well-known, reliable druggist.

If a neighbor or friend would take and pay for half the bottle, the cost of half a pint of this excellent medicine would only cost each about 12 cents.

This coupon and 25c is good for one (only) 50c bottle of Schiffmann's New Concentrated Expectorant at Piper's Pharmacy, if your name and address is filled in.

cial services at the First Presbyterian church, preaching two "Go-to Church" sermons. A feature both morning and evening was the music under the direction of W. C. Clark. Male chorus numbers were especially pleasing.

An anthem by the choir under the direction of John F. Rev. John R. Burson preached to crowded houses morning and evening.

The figures for attendance at the various English speaking churches are given. One church not given is the French Presbyterian church the attendance figures being unobtainable this morning.
